The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

7 **Special Condition # 19:** You must abstain from the use of illegally controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 19, by failing to submit to sweat patch testing on February 12, 2021.

On September 17, 2020, Mr. Hall agreed to modify his conditions of supervision to include sweat patch testing to assist the supervising officer in confirming his abstinence from the use of controlled substances. On September 21, 2020, the Court ordered the above-referenced modification.
